Nurturers. Guides. Co-Learners.

We don't simply hire for qualifications — we hire for character. We intentionally seek people who are naturally caring, gentle, patient, and emotionally intelligent, who nurture curiosity, encourage independence, and recognise every child as a unique individual.

OUR TEAM

The full Nest team — educators, administrators and campus staff together, warm and candid, on campus

Every person plays a part

This philosophy extends far beyond our teaching staff. Every person who sets foot on The Nest's campus plays a part in a child's sense of safety and belonging — our administrators, teaching assistants, cleaners, gardeners, drivers, and security team all share the same standard of warmth, care, and attentiveness.

Every interaction, however small, contributes to how a child experiences The Nest as a second home.

THE WIDER TEAM

Admin staff, teaching assistants, gardeners and drivers — the wider Nest family, mid-morning

Every educator at The Nest is committed to:

- ✓ Building trusting relationships with every child
- ✓ Practising child-led, inquiry-based learning
- ✓ Setting clear, respectful, consistent boundaries
- ✓ Maintaining high standards of safeguarding & hygiene
- ✓ Working with small groups for individual attention
- ✓ Supporting emotional wellbeing through patience
- ✓ Encouraging independence and confidence
- ✓ Building family partnerships through open communication

Care you can see

Every member of our team is background-screened and health-monitored, and wears The Nest's signature hygiene-ready attire throughout the day — a simple, visible sign of our standards in practice.

Come and see The Nest for yourself.

We would love to meet your family and show you around our Umalas campus — the rooms, the garden, and the educators your child would be with.
