

Healthy children learn best.

Cleanliness, nourishment, and wellbeing are foundational at The Nest — woven into every meal, every surface, and every layer of the day.

Nutrition, wellness & care

Freshly prepared meals, whole foods where possible, allergy-aware planning, and balanced nutrition.

Health, hygiene & safety

Strict sanitation protocols, daily cleaning routines, and ongoing staff health monitoring.

Our signature denim bib apron

Every educator wears The Nest's signature denim bib apron — a durable, easily sanitised protective layer worn over regular clothing for sensory play, creative activities, and meal service. It's changed and cleaned regularly, giving families a simple, visible sign of our hygiene standards in practice.

- ✓ Worn by every educator, every day
- ✓ Regularly laundered and sanitised
- ✓ A protective layer for messy, hands-on learning

Questions about care, in practice

The specifics families ask us most — meals, allergies, sickness, and what happens on a difficult morning.

Come and see The Nest for yourself.

We would love to meet your family and show you around our Umalas campus — the rooms, the garden, and the educators your child would be with.
