

Privacy Policy

How we collect, use, store and protect the personal information you share with us — and the information we hold about your child.

ⓘ AWAITING LEGAL COPY

The sections below are structured and styled, ready for the centre’s own wording. Legal text is to be supplied by the client or their counsel and has deliberately not been drafted here.

1. Information We Collect

To be supplied: what the centre collects at enquiry, tour booking and enrollment — child name and date of birth, parent contact details, medical, dietary and allergy information, authorised collection contacts, and any website analytics.

2. How We Use Information

To be supplied: arranging tours and enrollment, delivering care, meeting duty-of-care and safeguarding obligations, emergency contact, and family communication. State clearly whether information is ever used for marketing, and how consent is obtained.

3. Photography & Children’s Images

To be supplied: whether children are photographed, how consent is given and withdrawn, where images may appear (website, social media, learning journals), and how images are stored and deleted.

4. Data Security & Retention

To be supplied: how records are stored and secured, who may access them, how long they are kept after a child leaves, and how CCTV footage is retained and disposed of.

5. Sharing With Third Parties

To be supplied: any processors used (booking, messaging, cloud storage, analytics), and the circumstances in which information is disclosed to health or child-protection authorities.

6. Your Rights & Contact

To be supplied: how a family can access, correct or request deletion of their information, how to raise a concern, and the response timeframe.
