

Terms of Use

The basis on which this website is provided, and what the information published here does and does not commit us to.

ⓘ Awaiting legal copy

The sections below are structured and styled, ready for the centre’s own wording. Legal text is to be supplied by the client or their counsel and has deliberately not been drafted here.

1. Using This Website

To be supplied: who the site is for, acceptable use, and any restriction on copying or reproducing content.

2. Accuracy of Information

To be supplied: a statement that programs, ratios, hours and fees may change, that published figures are indicative until confirmed in writing, and where families should go for the current position.

3. Enquiries, Tours & Enrollment

To be supplied: that submitting a form is an enquiry rather than a confirmed place, how a place is actually secured, and any deposit or waitlist terms.

4. Intellectual Property

To be supplied: ownership of the name, logo, photography and written content on this site, and the terms on which it may be used.

5. Links to Other Sites

To be supplied: the centre’s position on third-party links, including the booking calendar, maps and social media.

6. Governing Law & Contact

To be supplied: the governing jurisdiction, and how to raise a question about these terms.
